Café Justicia Green Bean Price List – 2016

All Café Justicia beans are produced in the Atitlán region of Guatemala by members of the Campesino Committee of the Highlands (CCDA). The coffee is imported and marketed in Canada on behalf of the CCDA by the BC Central America Solidarity Alliance (BC CASA). 100% of profits are returned to Guatemala to support development projects with the CCDA and other community groups.

Bean	Per lb.	Per 150 lb. bag
2015-16 crop – transitional	\$3.32	\$498
2015-16 crop – certified organic	\$3.73	\$559.50

- CCDA transitional coffee is grown without chemical pesticides, herbicides and fertilizers, but has not yet achieved organic certification.*
- The CCDA's organic coffee is certified by MayaCert <www.mayacert.com/english/>*

- Prices quoted are FOB. Pick up at the **Eland SCS coffee warehouse** at 5040 Timberlea Blvd., Mississauga, ON, L4W 2S5, (905) 792-0500
- Eland needs 48 hours' notice for a regular pick up. Less than 48 hour orders can be processed for a \$48.15 per pallet charge, or 58.45 for less than 24 hours.
- Eland now requires shippers to present a copy of the delivery order (release authorization) when picking up orders.
- Eland charges a \$35 minimum handling fee.
- If coffee is to be loaded out on a non-returnable pallet supplied by Eland, there is a \$37.85 charge (plus HST) for the pallet and wrapping if required. (If customer is using CPC returnable pallets, there is only a \$10 wrapping fee).
- Payment can be made by cheque or money order to Café Justicia and mailed to the address above, or by Interac payment.
