Cafe Justicia Green Bean Price List – 2016

Café Justicia beans are produced in the Atitlán region of Guatemala by members of the Campesino Committee of the Highlands (CCDA) and are graded as Extra Fine, Strictly Hard Bean.

The coffee is imported and marketed in Canada on behalf of the CCDA by the BC Central America Solidarity Alliance (BC CASA). 100% of profits are returned to Guatemala to support development projects with the CCDA and other community groups.

Bean	Per lb.	Per 150 lb. bag
2015-16 crop – transitional	\$3.32	\$498
2015-16 crop – certified organic	\$3.73	\$559.50

- The CCDA's organic coffee is certified by MayaCert www.mayacert.com/english/. Certificates for the 2015-16 harvest are available on the Café Justicia website at: <http://cafejusticia.ca/order-green-beans>.*
 - CCDA transitional coffee is grown without chemical pesticides, herbicides and fertilizers, but has not yet achieved organic certification.*
- Prices quoted are FOB. Pick up at the Seaforth SCS coffee warehouse at 3676 Bainbridge Ave, Burnaby, BC, V5A 2T4, Tel: 604-420-0065
 - Seaforth needs 48 hours' notice for a regular pick up. Rush orders can be processed for a \$51.50 surcharge.
 - Seaforth charges a \$30 minimum handling fee for loading out (\$20 min order pick and \$10 min loading out).
 - If coffee is to be loaded out on a non-returnable pallet supplied by Seaforth, there is a \$30.90 per pallet charge. If customer is using CPC returnable pallets, there is only a \$10.82 strapping and wrapping fee.
 - Payment can be made by cheque or money order to Café Justicia and mailed to the address above, or by Interac payment.
